

You're Invited to a Free CME/CE Dinner Program...

Clinical Applications of Nonconventional MRI Techniques in Multiple Sclerosis

Wednesday, August 11, 2010 - Fresno, California

Location & Agenda

Ruth's Chris Steak House
7844 N. Blackstone Avenue
Fresno, California
(559) 490-0358

Agenda

6:30 PM	Registration
7:00 PM	Dinner & CME Presentation
8:30 PM	Adjourn

Learning Objectives

The target audience for this program is neurologists and neurology nurses. At the completion of this program, the participant will be able to:

- Describe the use of CNS imaging in the diagnosis and management of MS
- Discuss ongoing investigations into newer uses of conventional MRI as well as nonconventional imaging techniques
- Outline how advances in MRI and other central nervous system imaging may be used to improve understanding of MS pathophysiology
- Describe how nonconventional MRI modalities can improve our capacity to predict MS progression and prognosis

Faculty/Funding

Darin T. Okuda, MD

Assistant Clinical Professor of Neurology
University of California, San Francisco
UCSF Multiple Sclerosis Center
San Francisco, California

This program has been made possible through an educational grant from TEVA Neuroscience.

Accreditation

Physicians: This activity has been planned and implemented in accordance with the essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of ProCE, Inc. and the National Association of Managed Care Physicians (NAMCP). The NAMCP is accredited by the ACCME to provide continuing medical education (CME) to physicians. The NAMCP designates this educational activity for a maximum of 1.5 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses: CE is provided for this program through collaboration between ProCE, Inc. and Wild Iris Medical Education, Inc. Wild Iris Medical Education, WSNA CEARP Provider number PA-5/Feb/11, is an approved provider of continuing education by the Washington State Nurses Association, an accredited approver by the American Nurses' Credentialing Center's Commission on Accreditation. California Board of Registered Nursing Provider #12300. This activity provides 1.5 contact hours of nurse CE credit.

Faculty Disclosure

It is the policy of ProCE, Inc. to ensure balance, independence, objectivity and scientific rigor in all of its continuing education programs. Faculty must disclose to program participants any significant relationships with companies that manufacture or market products discussed during their presentation. Faculty conflict of interest disclosure will be announced at the beginning of the CME/CE activity. The planners of this activity have no real or perceived financial relationships to disclose.

Please note: The opinions expressed in this program should not be construed as those of the CME provider. The information and views are those of the faculty through clinical practice and knowledge of the professional literature. Portions of this program may include the use of drugs for unlabeled indications. Use of drugs outside of labeling should be considered experimental and participants are advised to consult prescribing information and professional literature.
