101 West Goodwin, Suite 1200

Victoria, Texas

(361) 572-8840

Program Agenda (All locations)

Registration: 6:30 PM

Dinner: 7:00 PM

CME Presentation: 7:30 PM

Adjourn: 8:30 PM

Learning Objectives

The target audience for this program is neurologists, primary care physicians, nurses, and pharmacists. At the completion of this program, the participant will be able to:

- Compare and contrast the two available MAO-B inhibitors approved for PD
- Describe the role of MAO-B inhibitors as adjunctive therapy to levodopa in PD patients with motor fluctuations
- Evaluate data related to the possible disease-modifying effect of MAO-B inhibitors

Faculty/Funding

Stanley Fisher, MD

Co-Director, Movement Disorders and Neurorehabilitation Center

Methodist Neurological Institute

Assistant Professor of Neurology

Weill Medical College at Cornell University

Houston, Texas

This program has been made possible through an educational grant from TEVA Neuroscience.

Accreditation

Physicians: This activity has been planned and implemented in accordance with the essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of ProCE, Inc. and the National Association of Managed Care Physicians (NAMCP). The NAMCP is accredited by the ACCME to provide continuing medical education (CME) to physicians. The NAMCP designates this educational activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Pharmacists: ProCE, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Universal Activity Number 221-000-10-025-L01-P has been assigned to this live knowledge-based program (initial release date 07-08-10). This program is acceptable for 1.0 contact hour (0.10 CEU) in states that recognize ACPE providers. The program is provided at no cost to participants. Statements of credit will be mailed within 6 weeks of the program date upon successful completion of the program evaluation. Participants must complete a program evaluation to receive pharmacy CE credit. No partial credit will be given.

Nurses: CE is provided for this program through collaboration between ProCE, Inc. and Wild Iris Medical Education, Inc. Wild Iris Medical Education, WSNA CEARP Provider number PA-5/Feb/11, is an approved provider of continuing education by the Washington State Nurses Association, an accredited approver by the American Nurses' Credentialing Center's Commission on Accreditation. California Board of Registered Nursing Provider #12300. This activity provides 1.0 contact hour of nurse CE credit.

Faculty Disclosure

It is the policy of ProCE, Inc. to ensure balance, independence, objectivity and scientific rigor in all of its continuing education programs. Faculty must disclose to program participants any significant relationships with companies that manufacture or market products discussed during their presentation. Faculty conflict of interest disclosure will be announced at the beginning of the CME/CE activity. The planners of this activity have no real or perceived financial relationships to disclose.

Please note: The opinions expressed in this program should not be construed as those of the CME provider. The information and views are those of the faculty through clinical practice and knowledge of the professional literature. Portions of this program may include the use of drugs for unlabeled indications. Use of drugs outside of labeling should be considered experimental and participants are advised to consult prescribing information and professional literature.
