## Optimizing Sedation and Analgesia in the ICU: Teamwork in Patient Care

Careful selection of analgesic and sedative medications is essential in critical care. Achieving a balance between patient comfort and safe ventilation involves both science and art. This program will emphasize the importance of teamwork in achieving optimum analgesia and sedation in the ICU.

### FACULTY

Barry W. Sigal, MD, FCCP  
ICU Medical Director  
Forsyth Medical Center  
Winston-Salem, North Carolina

Karen Sands, MSN, CCRN, APRN-BC  
ICU Nurse Practitioner  
Forsyth Medical Center  
Winston-Salem, North Carolina

### EDUCATIONAL OBJECTIVES

Upon completion of this activity, participants will be able to:

- Discuss the importance of the interdisciplinary team and ways to optimize nurse-physician interaction in patient care
- Identify common factors that influence a successful balance between patient comfort and optimal ventilation
- Discuss pharmacokinetic, cardiorespiratory, clinical, and CNS effects of the current analgesic and sedative agents
- Discuss objective tools to measure pain, anxiety, and delirium

### ACCREDITATION

**Physicians:** This activity has been planned and implemented in accordance with the essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of ProCE, Inc. and the National Association of Managed Care Physicians (NAMCP). The NAMCP is accredited by the ACCME to provide continuing medical education (CME) to physicians. The NAMCP designates this educational activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Nurses:** Nurse CE is provided for this activity through collaboration between ProCE, Inc. and Wild Iris Medical Education, Inc. Wild Iris Medical Education, Inc. is accredited as a provider of continuing education by the American Nurses Credentialing Center's Commission on Accreditation. This activity provides 1.5 contact hours of nurse CE credit.

**Pharmacists:**

ProCE, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Universal Program Number 221-000-09-061-H01-P has been assigned to this knowledge-based home-study program (initial release date 09-30-09). This program is approved for 1.5 contact hours (0.15 CEUs) in states that recognize ACPE providers. The program is provided at no cost to participants. Statements of credit will be issued online upon completion of the program evaluation and the post-test with a score of 70% or higher. No partial credit will be given.
